# MANCHURIA

Mukden - 20 February

- On 19 February, the Nationalist Temporary 21 Division suffered heavy losses south of Ta-tung-kou (126-03, 42-19). Communist troops in this area consist of the Li Hung-kuang Detachment, part of the 7 Brigade, and the main force of the 9 Brigade. The Nationalist 91 Division has consolidated its positions, and has made no progress since discovering the opposing force of the Communist 7 Brigade well entrenched in fortifications built prior to the Japanese surrender. These fortifications are to be outflanked by the Nationalist 2 Division, which on 20 February was ordered by the Northeast China Command to turn north. The main force of the Communist 10 Brigade is also moving north, and is now about twelve miles northeast of Tung-hua (125-57, 41-41).
- On 18 February, about 3000 men of the Communist 6 Column and the New 6 Division of 1 Column crossed the Sungari River. The Nationalists are on the Ta-fang-shen (125-55, 44-35) and Mu-shih-ho (126-04, 44-13) line.
- The Communist 3 Independent Division is at Nan-shang-cheng-tzu (125-18, 42-07). The 11 Brigade, now near Hei-keng (124-40, 41-10), is still being pursued by the Nationalist 40 Regiment of 14 Division.
